# April Social Scandinavian Dancers

The Swedish Folkdance Group of Los Angeles has been performing together for over 30 years. They have performed all over the United States and in Sweden. They specialize in traditional Scandinavian folk dancers from various regions in both Sweden and Norway. You may have seen this group perform at the Scandinavian Festival at CLU. There are 8 dancers performing along with their accordion accompanist. Lisa Eklund danced with their junior group for many years and performed with them all over the southland - including Norrona Lodge.
